- 421.5** Any player found to be playing for a team on which that player is not eligible to participate will be deemed an ineligible player and a forfeit will be charged against the team with which the player participated. To assign a CLUB PASS player to another team's specific game day lineup sheet in the Georgia Soccer/ADG system, please read the above from the Georgia Soccer Youth Rules and Regulations to make sure your player is eligible, then follow the steps below.

NOTE: The coach / assistant coach / team manager of the player's current team must initiate the process and assign the player to the team with which the player will be club passing.

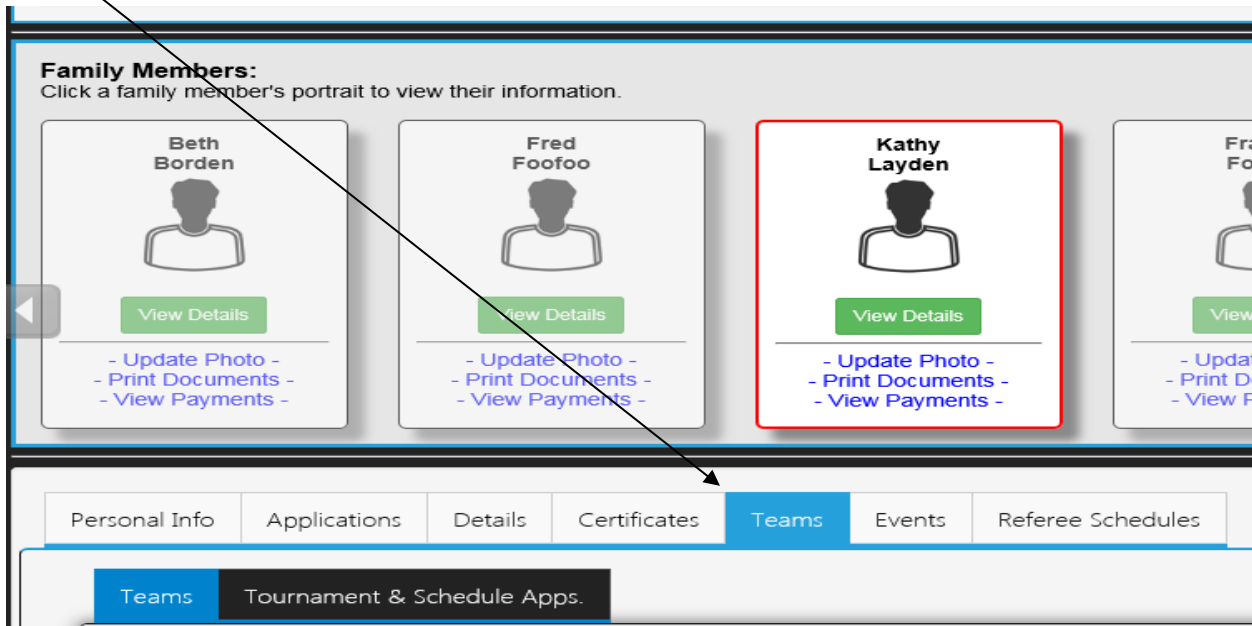

This means that the team wishing to use a club pass player must contact the manager or coach of the team to which the player is rostered in a timely fashion.

1. To assign a club pass player, you must be rostered to the team as a head coach, assistant coach, or team manager, and you must have a user name and password.
2. Log into the ADG site by entering your user name and password in the boxes at the upper left at either your affiliate's specific URL or the Georgia Soccer site:

3. The upper section of the My Account page shows everyone in your family unit. Make sure your portrait is highlighted with a red outline, then in the lower section of the page, click on the Teams tab.

9. Should the addition of a club pass player to your game day roster put it over 18 active players (the maximum number allowed by Georgia Soccer rules), you will need to deactivate players. Under the Player Roster tab, in the “Active?” column, uncheck as many boxes as needed to bring to 18 the number of players on your game day roster, then click the “Set Active Players” button at the bottom.

10. The club pass player, labeled **(DEV)**, will appear in the Goals/Cautions/Ejections dropdown when the game is scored so that any goals or disciplinary items can be recorded.

11. You must reactivate any deactivated players, including club pass players, in order for them to appear on game day lineup sheets for subsequent games. Check the appropriate box in the “Active?” column, then click the “Set Active Players” button.

NOTE: Please be aware of the following rules!

732.1 Any player sent off during a game shall be automatically suspended from the next game scheduled of the team in which he/she is rostered and played under US Youth Soccer affiliation and competition. **Player is also ineligible for participation in the Georgia Soccer Youth Club Pass System until the suspension is served.**

732.9 Any player receiving 4 cautions in a playing season will sit out the next scheduled and played game for the team that he/she is rostered to under US Youth Soccer affiliation and competition. **Player is ineligible for participation in the Georgia Soccer Youth Club Pass System until the suspension is served.** Failure to serve the mandatory suspension will result in a forfeiture of any and all games played while the player was ineligible. Additional sanctions to the player or the coach may be assessed by the D&P Committee if deemed appropriate after a hearing.

732.9a In addition, the player shall sit out the next scheduled and played game when 2 more cautions are received. **The player will then sit out the next scheduled and played game each time an additional caution is received. Player is ineligible for participation in the Georgia Soccer Youth Club Pass System until the suspension is served.**

Rule 421.4 allows a player to play two games in one day: one game with the team to which she is rostered, and one club-pass game. If the player club-passes for the first game and receives a card, as above, the player can serve the suspension by sitting out the second game, which is with the team to which she is rostered. However, if the player plays the first game with the team to which she is rostered and receives a card, as above, she is immediately ineligible to club pass. She must sit out the next scheduled and played game of the team to which she is rostered before being eligible to club pass.
